Evelyn
Bartenstein

January 27th, 2000 - April 16th 2006

When the class of 2018 sees a ladybug we instantly think of Evelyn. The ladybug represents peace, happiness, and a playful spirit. These are all qualities which she portrayed. Evelyn had Spina Bifida but never let that hold her back. You could always see her playing and running around with her signature hot pink crutches. She loved to play dress up, ski, and dance like any other young girl. Her goal was to become a nurse when she got older, so she would be able to help people like those who helped her. When Evelyn passed in 2006, we were all in kindergarten. Soon after her parents came up with the idea to start a fund in her honor. It was established as a community scholarship program that is called Evelyn's Fund. The scholarships were available to all children that attended a Rutland City School, and were given on a need basis to those who wished to participate in activities they may not otherwise be able to enjoy. We held an annual Dance Marathon to raise the money, and it was extremely successful every year. Thank you to all of Evelyn's friends and classmates who supported the Marathon and Fund. Everyone who participated has fond memories of the event that will last a lifetime. The marathon raised over \$95,000 and helped about 600 local kids participate in after school activities.

RETIREE Dedications

Ms. Mary Moran

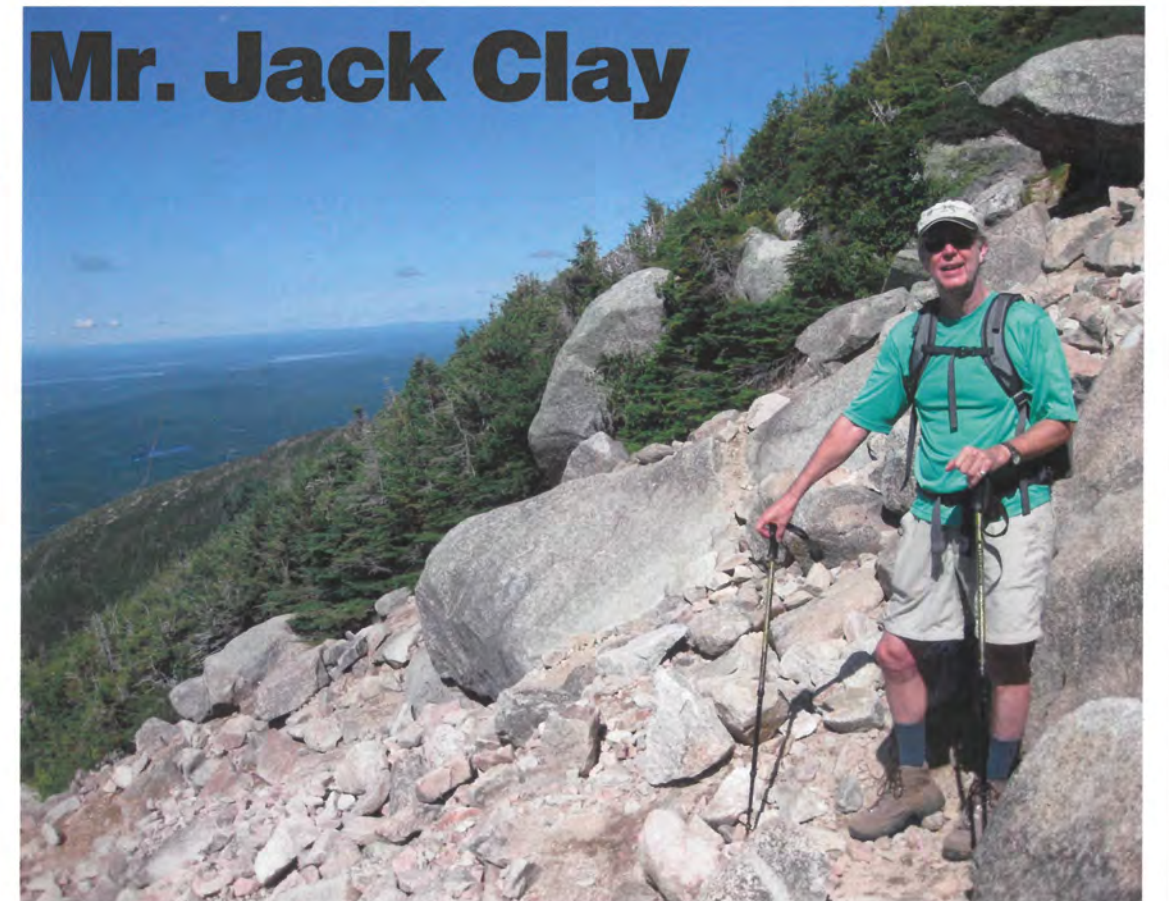

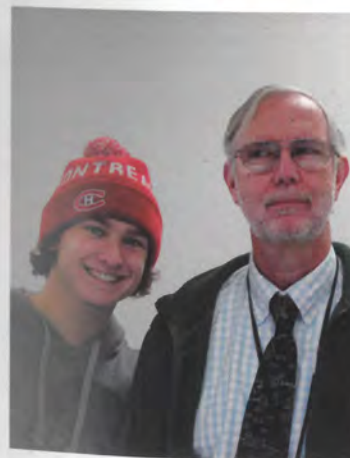

Ms. Moran is a graduate of Boston College with advanced degrees from BC and Northeastern. Starting in education in 1971, she was a history teacher in Savannah, GA and later in Braintree, MA. Continuing her love for helping students, she went on to become Assistant Superintendent of the Rutland City Public School District from 1996-2000 and then was promoted to Superintendent in 2000. On top of her devotion to education, she has served on numerous boards, including NEASAC Commission on Public Secondary Schools, as President of the VT Superintendents' Association, on the Executive Committee of the American Association of School Administrators, and as President of the Board of Trustees of the Rutland Regional Medical Center. Besides her work, she is a huge Red Sox fan with a wicked Boston accent and is proud to say she played basketball for Boston College back in the day. She is a huge part of the Rutland Community and will be greatly missed at RCPS.

Mr. Clay graduated from Princeton University with a Bachelors in Music. He then went on to get his Masters from Columbia Teachers College in Computer Education. Mr. Clay taught in New England Boarding Schools (Andover and Tabor) before getting married and going to Saudi Arabia. He has taught music and band, computer science and technology and/or been an IB Coordinator in International Schools in Saudi Arabia, Switzerland (both the French and Italian part), Romania, and Ecuador. Mr. Clay worked at Green Mountain College in between the two Swiss schools. After coming back from Ecuador, he started at Rutland High school where he has been a valuable member of the faculty and Information Technology Department. Mr. Clay enjoys making tracks skiing from Colorado to Switzerland and anywhere in between. Have a great retirement Mr. Clay!! You will be missed!

Mr. Jack Clay
